

WORK HEALTH and SAFETY POLICY (WHS)

As far as is practicable, S&L Steel will take all reasonable care to provide and maintain for employees a working environment that is safe and without risks to health, in accordance with this WHS policy.

In particular, S&L Steel will attend to the following:

- assess risks and plan work activities to eliminate or control foreseeable hazards or risks,
- comply with ISO 45001, relevant WHS, workplace injury management and workers compensation legislation and regulations plus Codes of Practice and other safety requirements applicable to our business,
- establish measurable objectives and targets for continuous improvement,
- consult with employees and disseminate WHS information,
- respond promptly to WHS concerns raised by employees,
- maintain the workplace in a safe condition,
- maintain plant and equipment in a safe condition,
- issue a Safety Handbook to all employees,
- provide appropriate instruction and training for employees,
- provide adequate facilities for employees at our workshop and project sites.

S&L Steel's Incident and Injury targeted tolerance = **ZERO**.
